THE ULTRA LATCH SYSTEM

Ultra Latch with B640A Master Keyed Brass Padlock

Ultra Latch with L740J Laminated Steel Padlock

Ultra Latch

The Ultra Latch is the ultimate latch system. The lock is completely protected and is virtually impossible to cut or pick. Designed to work only with Lock America's L740J or B640A padlocks. Can be overlocked with an additional lock. Available with optional striker plates to work with most swing and overhead doors.

Locks For Use with Ultra Latch

Both these locks are made to fit the Lock America Ultralatch. Locks from other manufacturers may not fit properly and may compromise the latch's security.

B640A• High Security Solid Brass

40mm (1-1/2") Padlock with restricted key with over 3 million usable key combinations.

- Suitable for high security and master key situations.
- Every key numbered and registered.

L740J

44mm (1-3/4") Laminated steel padlock. Suitable for medium security system using package padlocks.
